# Fighting Cancer One Discovery at a Time

Moffitt discoveries have enhanced our understanding of cancer and led to multiple licensing and collaboration partnerships within the biomedical industry. Patents provide rights for the owner to exclude competitors from the market and if the patent is licensed, a portion of the revenue is used to support research and innovation at Moffitt.

To learn more about Moffitt Discoveries,  
call 813-745-6828 or visit [MOFFITTIP.com](http://MOFFITTIP.com)

US APART, CALL 813-745-6828  
OR VISIT [MOFFITTIP.COM](http://MOFFITTIP.COM)

The Office of Innovation and Industry Alliances manages the intellectual property rights of Moffitt Cancer Center and actively promotes industry related contracts. We aim to provide a single point of contact for industry partners interested in engaging Moffitt's world-class researchers and cancer treating clinicians.
